The quarter from April-June 2022 signalled a return to full-time physical courses with a packed schedule. Both the verticals of SSIFS had several programmes lined up either simultaneously or sequentially. With the Institute humming with activity, numerous participants and guest speakers thronging the premises, it appeared that the pandemic was indeed behind us though it is not so!

The 2021 Batch of the Indian Foreign Service Officer Trainees (IFS OTs) and two diplomats from Bhutan settled in quickly and had an intensive quarter filled with training sessions addressed by dignitaries and visitors. They had various attachments within the country. SSIFS also conducted the Mid-Career Training Programme-III (MCTP-III) for senior IFS Officers and MCTP-I (for middle-level IFS Officers) in May and June 2022 respectively. In addition, the Capacity Building Commission (CBC), in collaboration with SSIFS, organized a one-day workshop on "Enhancing Teaching Capacities of Central Training Institutes (CTIs)" on 29 June 2022.

As far as Foreign Training (FT) was concerned, a half-day orientation programme for the EU COASI (Asia-Oceania Working Party) diplomats was organized in May 2022. The 3rd Special Course for Diplomats from South Sudan was held from 17-27 May 2022. After a gap of almost one year, the 5th Familiarization Programme for Resident Foreign Diplomats was conducted from 13-17 June 2022. There was a significant presence of women diplomats in all the three FT programmes.

Several courses of Non-Representational Grade (NRG) officials were conducted during this quarter. The first-ever Induction Training Programme (ITP) for the 2018 batch of Direct Recruit Assistant Superintendents of the Central Passport Organisation (CPO) was conducted in April 2022 in collaboration with MEA's PSP (Passport Seva Project) Division. Similarly, the Induction Training Programme (ITP) for the newly inducted officers and officials of the Indian Council for Cultural Relations (ICCR) was conducted in June 2022 in collaboration with ICCR. A "Citizen-Centric Orientation Programme" was also organized in June for MEA Interns from different States of India. The Programme was conducted in collaboration with MEA's Administration Division. In addition, various posting-related programmes and skill tests were conducted during the past quarter.

The past three months witnessed visits by several Cabinet Ministers, foreign guest speakers and Ambassadors to address our participants in the programmes of SSIFS.

As we look forward to the next three months, the schedule of programmes promises to be exciting! We, at *Videsh Sewa*, will work to ensure that you do not miss anything in the diplomatic training calendar in the months ahead!
